

HUNTINGFIELD HARE

Issue 1 – April/May 2007

Welcome to the first edition of the Huntingfield Hare. The idea for a village newsletter was established when the Millennium Trust Events Committee and the Parish Plan group both realised that we need to have a means of communicating with everyone in the village of Huntingfield. The Hare will be published every two months and ANYONE can contribute to it. It will be delivered free to all residents and businesses in Huntingfield. If you wish to put anything into the newsletter the ways you can do this are either by sending an email to editor@huntingfield.org or by hand to Sue Lucas at 3 The Street, Huntingfield.

A Report from Julie Collett – Chair of the Parish Council

A year ago I was elected as Chair of the Parish Council. Stepping into Ian Richardson's shoes was going to be a hard act to follow, but I feel that Huntingfield has really gone places in the last few months. The fact that you are reading this is proof enough! Haven't we missed having a Parish Magazine? The best thing about this edition is it will be free and will reach every resident in Huntingfield. The Parish Plan is up and running. We have a very dedicated team working with the plan – this is the chance for EVERYONE to have their say, young and old. If you don't agree with what we are doing – let us know! The Millennium Green Events Committee have had a great start this year with a brilliant 'race night'. Not only was it a great fund raiser it was a very enjoyable evening. Check details for future events in this issue of the Hare.

Nearly a year ago Sara and Steve moved into the Huntingfield Arms. What an impression they have made. The pub is always busy with a great reputation for the food. Good pub grub, excellent beer and a brilliant atmosphere, also not forgetting Archie who loves to check who is in his front room!! Give them a look.

Huntingfield is a village that cannot stand still. We have a great community that we need to look after. We live in an ideal spot and to hear the lambs in the fields around is certainly a sign spring is on the way. Let's enjoy life. Anything you're not happy with, come and talk to us. There is always a solution if we know the problem!

Julie can be contacted at julie.collett@huntingfield.org or on 01986 798258

Spring is here!
